

Centennial Event Application - Supplement

Glacier National Park Centennial Program

MISSION STATEMENT

To plan and implement a Centennial Commemoration that celebrates the rich history and legacy of preservation, inspires personal connections and partnerships, and engages people to become future stewards of Glacier National Park.

VISION STATEMENT

This is a description of what we hope things “look like” at the end of 2010 because of the Centennial. It illustrates the desired future that will motivate and guide our efforts:

- Education – Audiences will have increased awareness of Glacier National Park’s past, present, and future.
- Stewardship – The public will engage in preservation of Glacier’s natural, cultural, and historic resources.
- Legacy – Park supporters will establish a tangible legacy for the next 100 years.
